#### **H Form for Private Households**

Rooms

A household comprises either one person living alone or a group of persons (who may or may not be related) living at the same address with common housekeeping. Persons staying temporarily with the household are included.

#### To the Head or Joint Heads or members of the Household

Please complete this census form and have it ready to be collected by the census enumerator for your area. He or she will call for the form on Monday 6 April 1981 or soon after. If you are not sure how to complete any of the entries on the form, the enumerator will be glad to help you when he calls. He will also need to check that you have filled in all the entries.

This census is being held in accordance with a decision made by Parliament. The leaflet headed 'Census 1981' describes why it is necessary and how the information will be used. Completion of this form is compulsory under the Census Act 1920. If you refuse to complete it, or if you give false information, you may have to pay a fine of up to £50.

Your replies will be treated in STRICT CONFIDENCE. They will be used to produce statistics but your name and address will NOT be fed into the census computer. After the census, the forms will be locked away for 100 years before they are passed to the Public Record Office.

If any member of the household who is age 16 or over does not wish you or other members of the household to see his or her personal information, then please ask the enumerator for an extra form and an envelope. The enumerator will then explain how to proceed.

When you have completed the form, please sign the declaration in Panel C on the last page.
