Why the Census Matters
The census is used to help plan and fund services for your community - services like transport, education and health.

Everyone should be included in the census - all people, households and overnight visitors.

Please complete your census questionnaire on 27 March 2011, or as soon as possible afterwards. You can fill it in online or on paper.

Taking part in the census is very important and it is also compulsory. You could face a fine if you don’t participate or if you supply false information.

Your personal information is protected by law and will be kept confidential.

So help tomorrow take shape and be part of the 2011 Census.
