Why the census matters

The census is the official count of every person and household in Scotland. It is held every 10 years and helps to plan our future public services.

Please fill in this questionnaire on, or around, Sunday 27 March. Please include everyone at this address. It shouldn’t take long and you can fill it in online.

As a householder, you have a legal duty to fill in this questionnaire. If you don’t, or if you supply false information, you may be fined up to £1,000.

Your personal information is protected by law and we will keep it confidential for 100 years.

Thank you for helping to shape Scotland’s future.

Duncan Macniven
Registrar General for Scotland
