### SOME DEFINITIONS/INTERPRETATIONS FROM THE "INSTRUCTIES VOOR DE TELLER"

**Education or training:** Any kind of instruction that the respondent has followed and which is specifically oriented towards the practice of a certain job or task. Questions are not only about the level of education or training, but also about the type of education or training, LTV, vocational, or Mavo (or MVO) or both.

**Profession:** Being a worker or working part-time also is not considered a working person. Please specify the name of the profession, or the description of the occupation, or the description of the job, or the description of the task. A profession consists of an independent group of people with a specific profession and are not only employed by a single company, but also by other companies, regardless of the public. The term "professions" is defined as any kind of occupation that is not considered a hobby, leisure activity, or a voluntary activity. Questions are not only about the level of education or training, but also about the type of education or training, LTV, vocational, or Mavo (or MVO) or both.
