HOUSEHOLD QUESTIONNAIRE FOR THE
1960 CENSUS OF POPULATION AND HOUSING

Dear Householder:

Thank you for your cooperation in providing the information you have already given the Census Taker. This questionnaire covers the additional items needed to complete the Census.

You will see that questions about your dwelling are on the next page and that questions concerning yourself and each other person in your household are on the following pages. Please study the enclosed example before you start to fill in the form.

Never skip a question just because it does not seem to apply. For instance, an answer of "No" to the question, "Did this person work at any time last week?" is just as important as an answer of "Yes." Whenever you do not know the exact answer (such as the cost of utilities or the amount of wages last year) make a reasonable estimate. After you complete the form, please check it over to make sure you have not missed anything.

Federal law states that Census employees must hold all information which you give them in strictest confidence. The statistics published from this Census will not reveal any individual information.

Please mail the completed questionnaire within 3 days in the addressed envelope which the Census Taker has left with you. It requires no postage. Your prompt attention to this request will be appreciated.

Sincerely yours,

Robert W. Burgess, Director
Bureau of the Census

CONFIDENTIAL—The Census is required by the United States Constitution and further authorized by 13 U.S.C. 5, 9, 14, 221–4. The law requires that the inquiries be answered completely and accurately, and guarantees that the information furnished will be accorded confidential treatment. The Census report cannot be used for purposes of taxation, investigation, or regulation.

**HOW TO FIGURE COST OF UTILITIES AND FUEL**

Enter the cost to the nearest dollar.

**Utilities**

If you don't know exactly how much you have spent and if you don't have records, put down the approximate costs.

**Fuels**

If you don't know how much fuels cost per year, one of the following methods may help you figure the approximate costs:

<table>
<thead>
<tr>
<th>Fuel used</th>
<th>Method</th>
</tr>
</thead>
<tbody>
<tr>
<td>Coal</td>
<td>Multiply number of tons used per year by the cost per ton</td>
</tr>
<tr>
<td>Oil</td>
<td>Multiply number of gallons used per year by the cost per gallon, or multiply number of deliveries by average cost per delivery</td>
</tr>
<tr>
<td>Kerosene</td>
<td>Multiply number of cords (or loads) used per year by cost per cord (or load)</td>
</tr>
</tbody>
</table>

**NOTE:** If you buy fuel in small quantities (such as kerosene by the can or coal by the bag), it may be easier to figure about how much you spend for fuel per week, and multiply by the number of weeks during which it is used.

**AFTER YOU FINISH THE HOUSING QUESTIONS —**

This form is for Americans living outside the United States, Puerto Rico, American Samoa, Canal Zone, Guam, and the Virgin Islands on Census Day -- April 1, 1960.

Dear Fellow American:

Please fill this official 1960 Census report form on April 1, 1960 (Census Day) or as soon as possible thereafter. Our Nation has taken a Population Census every ten years since 1790. Facts about the numbers of Americans, their location, ages, education, occupation, etc. are very important to all of us.

If any members of your family are living with you overseas, please be sure to include them on this form. If there are more than four persons in your family group, list them on an additional form or sheet of paper. Fold the extra form or sheet inside this form before sealing.

Please fill out this form completely and correctly. It will take only a few minutes of your time. First, fill out the identification information on the back of this form. Then, answer the questions on the inside for yourself and each member of your family group. Your answers to these questions will be kept strictly confidential, as provided by law.

Members of the Armed Forces should return the completed form to the appropriate person on the post, in accordance with local arrangements. Civilians should return the completed form (in person or by mail) to the nearest U.S. Embassy or Consular Office in the country in which they are living. Thank you for your cooperation.

Sincerely yours,

Robert W. Burgess
Robert W. Burgess, Director
