LIST OF PERSONS (situation on March 31, 2011 at 12 p.m.)

The list of persons should be entered with all household members, no matter if they are present in the place of residence or absent for work, studying or other reasons. Also one-person household should be entered (household consisting of only one member). The household members should be entered within their closer families, i.e. members of the first family should come first (parents and then children), and then members of other family (if there are more in a household), and so on. If there are more than one household in one dwelling, the same order is applied to the second, third, etc. household.

| Ord. No. of household in dwelling | Ord. No. of persons in the household | Family name | Name | Name of one parent | Name of the spouse/consensual union partner | Relation with person holder of household (code from Table 1) | Ordinal number of family in household | Position of member of family in household | Reason for presence/absence | Fill in the correspondent code from Table 3 in the correspondent column | Basis for using the dwelling: response is entered for household holder (code from Table 4) |
