LIST OF PERSONS (situation on March 31, 2011 at 12 p.m.)

The list of persons should be entered with all household members, no matter if they are present in the place of residence or absent for work, studying or other reasons. Also one-person household should be entered (household consisting of only one member). The household members should be entered within their closer families, i.e. members of the first family should come first (parents and then children), and then members of other family (if there are more in a household), and so on. If there are more than one household in one dwelling, the same order is applied to the second, third, etc. household.
