Note: 43 European countries were invited to participate in this initiative; 16 accepted by October 1, 2003.

Although the project began September 1, 2004, a few additional countries may yet join.

Specifications for drawing samples are detailed at: www.hist.umn.edu/~rmccaa/ipums-europe/microdata_specs_ipums-europe.pdf

Documentation requested is explained at: www.hist.umn.edu/~rmccaa/ipums-europe/documentation_needs_ipums-europe.pdf

Two forms of payment:

invoice - agency presents an invoice for payment upon delivery of microdata: www.hist.umn.edu/~rmccaa/ipums-europe/billing_ipums-europe.pdf

contract - agency and University first sign a contract, work is performed, payment is made according to payment schedule

For contract information, please see: [/ipums-europe/minnesota_contract_form.pdf](#), [ipums_contract_details.pdf](#)

Barcelona workshop reports for each country should be based on three tables:
